QUAID-E-AZAM

“With faith, discipline and selfless devotion to duty there is nothing worthwhile that you cannot achieve.”

”یقین، نظم و ضبط اور بے لوث لگن کے ساتھ دنیا کی ایسی کوئی چیز نہیں جو حاصل نہیں کی جاسکتی۔“

ALLAMA IQBAL

Rise, as darkness has appeared on the eastern horizon
We should light up the assemblage with blazing songs
In the world's congregation we should live like the candle
We should burn ourselves and open the rivals' eyes.

(Bang-e-Dara)

Principal
Prof. Dr. Naheed Qadir

Principal's Message

Dear Students,

I congratulate you on this choice and assure you that by entering into this new world of knowledge, wisdom and excellence, you will become a part of the glorious history of this prodigious and prestigious college. It is an acknowledged fact that the leaders of future are groomed and mentored in esteemed institutes under the supervision of dedicated and devoted faculty. Here is the institute with a futuristic vision that meets the indigenous and global advanced learning challenges, and inculcates our core national and religious values in students. We offer diverse programs keeping pace with the multi-faceted requisites of modern era and our highly-talented faculty helps to nurture your potential and pursue your dreams.

Wish you all the best!

History and Excellence

Govt. Islamia Graduate College for Women, Eid Gah Road, Faisalabad is one of the oldest and renowned foundations of the city Faisalabad. Being situated at the centre of the city, it is a grand educational hub for women and inspires them for innovative learning by promoting the quest for higher education, research, collaboration and community engagement to achieve social empowerment.

The sacred journey of imparting education in this foundation commenced in 1963 as an Intermediate College. It was upgraded to Degree level in the very same year. In January 2002, it was elevated to Postgraduate level. It covered another milestone in 2011 with the start of B.Sc and B.Com classes. A notable achievement of the year 2016 was the commencement of the BS programs in various disciplines to keep pace with the international standards of education. At present, the college offers BS in ten disciplines including Physics, Zoology, Botany, Chemistry, Computer Science, Mathematics, Islamic Studies, Economics, Urdu and English along with B.Ed (Hons) Elementary. Being affiliated with Govt. College University, Faisalabad since 2011, it aspires to expand its BS programs to other disciplines and is consistently in liaison for it.

It is situated on a total area of 44 acres being divided into Old Campus, New Campus, Science Block, Admin Block and Library. It has two spacious multi-purpose halls, well equipped science labs, a vast playground, lawns, a day care centre, dispensary, waiting room, prayer room and burqa room. Moreover, every BS department has its own office. A state-of-the-art computer lab has been established to cater to the educational needs of the students. A water filtration plant is installed along with coolers to ensure provision of clean water. The college administration is very keen to extend its building and many construction projects are in the pipeline. A new academic block for BS English has been constructed which is handed over to the English Department in August 2022. Moreover, in a vast area adjacent to BS English block, lush green grass along with trees has been planted to beautify college, thus transforming the barren and desolate land into a green wonderland.

In 2020, after the hazardous outbreak of the pandemic, the college started offering online classes not only for BS but also for Inter and degree classes to ensure the academic progress of our students and to eschew any academic loss. IT Department untiringly worked to devise students' IDs and shifted all the students on Google Classroom, Zoom and Meet and resultantly guaranteed a smooth running of academics through these apps. All the faculty members were provided with their official email IDs addresses. Online monitoring system was introduced to ensure trouble free running of online classes. The website of college www.gicwf.edu.pk has also been functionalized.

Alhamdulillah! Govt. Islamia Graduate College for Women, Eid Gah Road, Fsd is making progress by leaps and bounds under the prudent leadership of the worthy Principal. May it bring a good name to the nation and enhance its pride! Ameen!

CODE OF CONDUCT

Conduct is a set of rules & regulations to maintain discipline among the students. This code of conduct should be strictly observed by the Students:

1. College starts with a morning Assembly, so it is mandatory for every student to attend it. Observe college timings.
2. Be regular and punctual. 80 % attendance is mandatory, otherwise, you will not be allowed to submit admission form.
3. Wear your Identity Card issued by the college.
4. Do not use mobile phones, electronic or other devices. It is strictly forbidden.
5. Do not damage the college property or property of others in the college.
6. Do not shout, make a noise or walk near class rooms creating disturbance.
7. Do not misbehave at the college canteen, laboratories or defy the norms of decency, morality and religious / cultural / social values.
8. Do not wear jewelry or put on makeup or see-through dress.
9. Do have a daily look on the College Notice board to know about educational and administrative issues.
10. Keep your college clean. Throw the wrappers, cans and empty bottles in the dust bins.
11. Do not do wall chalking. If a girl found writing on walls, she will be heavily fined.
12. Eat in the canteen area only. Girls are not allowed to bring plates and bottles outside the canteen.
13. Do not make any celebrations i.e. Birthdays, Valentine Day or any other kind of get-to-gather.
14. Attend your parent-teacher meeting regularly, which will be held on the last date of every month.
15. Come in proper uniform for visiting college regarding practicals, Roll-No slips, marks-sheet, etc. Bring a receipt of Identity Card and fee deposit while visiting college. Moreover, come to college during exams in proper uniform.
16. Do not leave college during college timings even if you are without uniform, without getting prior permission from the Principal.
17. Wear properly all-sided ribboned duppatas as specified. Otherwise, fine will be charged.
18. Do not violate code of conduct, otherwise you will be fined i.e. for incomplete uniform Rs.100 fine, Rs.150 for attending college without uniform, from Rs. 200 up to Rs. 2000 as per decision of the Discipline Committee in case of breach of any discipline and Rs.1000 fine for bringing cameras/tape recorder/ cellular phone. The things shall only be returned on the written request of the parents of the students.

Note: The Students previously enrolled or registered in any other board / University will not be eligible for admission.

DEPARTMENT OF URDU

INTRODUCTION: Urdu is our national language. Its importance is linked with the two-nation theory, which formed the basis of the creation of Pakistan. It is a very rich language and its literature has established its position to meet the educational, cultural and socio-economic needs of the Society. Our objective is to broaden the scope of the language, so as enable it to meet the future needs of the people in the professional and scientific areas of the prospective scholars. We, on our part, have gradually progressed and BS Urdu program was also introduced in 2018. Our mission is that the national and linguistic development should take equal importance.

DEPARTMENT OF ISLAMIC STUDIES

INTRODUCTION: Pakistan came into being in the name of Islam. The department of Islamic Studies reflects the ideology of Pakistan. Islam is a complete code of life and all the contemporary issues can be solved in the light of the holy Quran and Sunnah. Islamic Studies is being taught as a compulsory subject in different faculties. BS Program in Islamic Studies was started in 2018. Every year seminars, Seerat Conferences, Milad-un-Nabi ﷺ, Qirat and Naat competitions are organized by the department. Our students participate in every competition and win laurels Alhamdulillah. We aim at inculcating tolerance and empathy in our students so that they may play a constructive role in our Islamic society.

DEPARTMENT OF CHEMISTRY

INTRODUCTION: Department of Chemistry at the start of college was established to host students of Intermediate level. Later on, B.Sc. classes were introduced and, the mentioned program was run successfully for many years. Untiring efforts of the staff and faculty members paved the way to commence BS program in 2016. Since then, department is fully devoted to provide quality education to the students at graduate level. It is flourishing more and more under the guidance of head of department Mrs. Yasmeen Chattha along with other faculty members. Labs are well equipped to facilitate students, enhancing their vision practically as well as theoretically and the process of improvement is still going on.

DEPARTMENT OF COMPUTER SCIENCE

INTRODUCTION: The Department of Computer Science was established in 2009 to meet the country-wide growing demand for well-qualified computer professionals. At present, it offers I.C.S. and BS Hons (Computer Science) both in morning and evening shifts. Moreover, computer is taught as a subject at all levels in all disciplines. Its state of the art Computer Lab is one of the best labs of city Faisalabad. Department has well qualified and vibrant faculty dedicated to its cause. It is striving hard to perform significant role by producing highly capable computer professionals. It envisions imparting value-laden and quality education to its graduates to cater to the demands of the digital age.

DEPARTMENT OF ENGLISH

INTRODUCTION: The English Department has a pivotal role to play within the college, providing the means for students to reach an advanced level of proficiency in English, as a support subject for other departments. It is one of the largest departments in the college and its aim is to provide all students with the communicative tools they need in order to be successful users of English at an advanced level. Our undergraduate program offers a wide range of subjects to cater to the demands of the modern era, aimed at enhancing not only literary aptitude but also imparting linguistic competence. We strive for positive transformation through tools of literature and linguistics by empowering our women for tomorrow.

DEPARTMENT OF ECONOMICS

INTRODUCTION: The Department of Economics is providing a visionary landscape to achieve excellence in the field of Economics. We are the proud custodians of academic integrity and excellence in our college. We built such grounds that help our students to apply their theoretical knowledge in the practical horizon and resolve the economic bugs in our surroundings. Our mission is to nourish the intellectual capacity of our students to its fullest. Hence, they will be able to unlock the art of discipline in life, rationalization in thought process, scholarly decisions, and compact goals. We focus on enabling the analytical skills as most of our courses are designed with scientific proof of theoretical philosophy of Economist and Economic principles.

DEPARTMENT OF MATHEMATICS

INTRODUCTION: Come and explore the world of opportunities for study and research in Mathematics, as our Department of Mathematics facilitates students with the training in mathematics and statistics necessary to achieve their goals being mathematicians. With a commitment to both theoretical exploration and practical problem-solving, the department offers a diverse range of courses. Students can delve into areas such as algebra, calculus, statistics and beyond, gaining essential skills for a variety of academic and professional pursuits. We offer quality programs of mathematical specialization at every level and our faculty is committed to teach the students. It is our mission to provide quality education in mathematics and produce educated leaders – the change agents of tomorrow.

DEPARTMENT OF PHYSICS

INTRODUCTION: Physics is one of the oldest and most fundamental of all scientific disciplines and its aim is to understand how universe works. Physics department at Govt. Islamia Graduate College for Women offers excellence in teaching by successful engagement of students in learning with their full potential. The laboratories of department are spacious and equipped with functional apparatus. The department is actively working on upgrading the laboratories to match high standards. The department of Physics promises high quality education and training for students to become future physicists and contribute their best to the society's future.

DEPARTMENT OF BIOLOGY

INTRODUCTION: Department of Biology was established in 1963. Later on B.Sc program was commenced in 2011. BS in Botany and Zoology in 2016 added to its status. It is committed towards training its young graduates in various fields of botanical and animal sciences. Its faculty has been striving hard to promote eco-friendly trends through enlightening the minds of its multitudes of students every year. The fully equipped laboratories, well-furnished class rooms, lecture-theater, and updated library provide the best possible facilities to the students in their academic pursuit. Its faculty is exercising its potentialities to maximum extent focusing the activity based learning.

CIVIL DEFENCE & GIRLS GUIDE

Girls guide is an effective organization of the students where girls are always ready to help and guide others. They always actively take part in camp Training and win prizes for their college.

Civil Defence is a kind of training where students learn to help innocent citizens in unavoidable circumstances. The students of this college displayed best performance and won prizes.

MEDICAL FACILITY

There is a dispensary for the first aid of the students.

COLLEGE MAGAZINE

“Sarosh” is the yearly college magazine and is divided into three sections: Urdu, Eng & Punjabi. It gives an opportunity to our young literary gems to get

their poems, articles, stories, etc. published.

IDENTITY CARD

The College Card issued once is the identity Card of the students. In case if a card is lost, the student is issued a duplicate one for Rs.100. Every student is to keep it with herself.

ANTI DENGUE CAMPAIGN

Anti-Dengue campaign is regularly observed at the college campus to educate the students about the various aspects of the deadly disease. It is, therefore, mandatory for the college students to participate in such activities like lectures, seminars, awareness walks, workshops, etc. under the supervision of Focal person of Anti-Dengue campaign.

SECURITY

Govt. of Punjab has shown serious concerns over the security measures in the educational institutions. In this regard, college security Committee, comprising senior faculty members was developed. Different security measures like fencing, provision of weapons, installation of barriers and CCTV cameras have been adopted. Visitors are issued visitor cards in exchange of CNIC.

TUTORIAL GROUP SYSTEM

The total students are divided into various tutorial groups and each group receives special attention and guidance. This period provides a chance to students to discuss and polish their individual qualities.

CAREER COUNSELLING CELL

It assists students with planning for their future. It helps them determine their career goals and advise both students and parents, occasionally in collaboration with faculty, on how to achieve their goals.

CHARACTER BUILDING SOCIETY

It aims at character building through enlightening our students morally and

ethically. Its primary objective is to bring positive transformation by ameliorating our youth.

Quality Enhancement Cell

QEC has been established under the guidelines of PHEC with the objective to ensure the better academic management, quality assurance mechanism and annual Quality Assurance plan.
